HOW TO LOG ON: FOR DEALERS TO ACCESS WEBSITE

USERNAME: DEALER
PASSWORD: NAUTICAL

This site is built for dealers to access our stock images, catalog, and other items.
There is also a dealer locator's map on this site.

Drop shipping to a dealer's retail customer is an option that has also worked successfully for Beaver Dam. While our products can be shipped individually, we also ship in skid lots via common carrier. -As many as 25-30 products can be shipped on one skid making it much more cost effective.

If your customer prefers any specific color or style that you do not have in stock or is not convenient to transport at the time, we will be happy to have it made and shipped to their door within a few weeks. If we have that product in stock, we can ship immediately.

We strive to have a large selection in stock (especially March through August) so there is always a large variety to choose from.

Please contact us if you are interested in becoming a dealer of Beaver Dam Woodworks to receive additional information.

BASE

Our Hybrid lighthouses are made with a Poly top, wood center, and a Poly base. Since the top and bottom are the first to feel the effects of the elements, the Hybrid lighthouse is built to stand the test of time.

Along with the Poly top and base, which are maintenance free, you also have the option of a striped and painted scheme. All wood and Poly styles shown on previous pages are available in all sizes for a hybrid. We also have the option of a hybrid without a base.

See page 24 for hybrid pricing.
