PERGOLAS

BRING THE ENHANCEMENT of a pergola to your yard or garden! Pergolas are growing in popularity with many families turning to their own back yards for their place of relaxation.

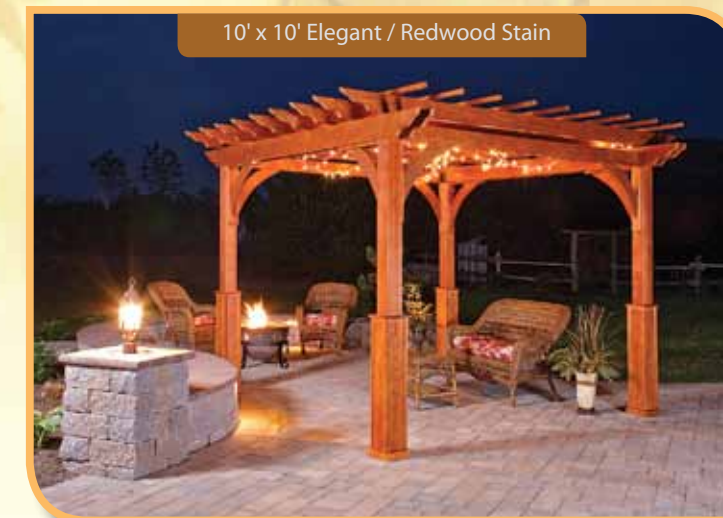

Pergolas make a great shaded area or walkway. Installing a pergola in your yard or garden allows

you to enjoy the great outdoors in a unique way. They're perfect for climbing plants, vines, and hanging baskets. By adding the optional privacy wall it helps to make your new outdoor room even more cozy.

So pick out your pergola today and add some character to your outdoor space. Come enjoy the great outdoors with us!
